

Heritage Woodland

Extraordinary Value in Every Fouts Home

Fouts custom homes are designed to fit your family's unique needs and specifications. The following features are included in every Fouts Home at Heritage Woodland. We believe quality is always built into the home, not just an extra add-on. The specific selection of these amenities will vary based on your home's design and your personal selections. We hope you'll agree that Fouts Homes is where you belong.

Standard Interior Features

- 6'-8" Fiberglass Entry Door (design per plan)
- 10' ceilings on the first floor and 9' ceilings on the second floor
- Two panel molded 6'-8" doors on both first and second floors
- Doors Trimmed with Classic 1"x 4" Molding
- 5 1/4" flat trim baseboards throughout
- Tile flooring and Carpeting as indicated on floor plan(see plan for specified areas)
- Windows trimmed with stool and apron throughout
- Medium knock down wall texture throughout home, including garage
- Custom closet shelf and pole assemblies in all closets
- Custom designed cabinetry throughout. Choose from four door styles with maple or birch wood and a clear or painted finish
- Quality options of door hardware styles and finishes to choose from
- Gas Fireplace with Mantel (optional)
- Interior Paint (Low or No VOC): walls and ceilings one color, trim and baseboards one color
- Exterior colors: Clients will have input into the color scheme in coordination with the builder
- Exterior siding: Hardie Plank® cement board siding over a Hardie Wrap® weather barrier. Hardie Plank® is chosen for longevity, quality appearance, fire and storm resistance.
- The architectural style will reflect variations of distinctive craftsman bungalow designs, with choices of the traditional or a more contemporary representation.

Gourmet Kitchen

- Solid surface countertops (Granite, Silestone, Quartz, Tile, etc.) with four standard edge details to choose from
- 6" high backsplashes with full backsplash behind stove matching either the solid surface or tile
